Your trip begins as we transport you from La Paz, Baja California Sur to Espiritu Santo Island, an uninhabited oasis. Our flexible itinerary includes a variety of activities for everyone! Improve your paddling skills on our kayaks, hike geologic relics, and snorkel with hundreds of tropical fish and friendly sea lions! Our crew will prepare delicious meals to pair with local Baja-inspired wine selection. A snapshot of a typical day's meals would include *chilaquiles*, corn tortilla creation for breakfast, *pescado veracruzano* (pictured) for lunch, happy hour of fresh lime margaritas joined with *ceviche* and *guacamole* tostadas, dinners of *carne asada*, grilled steak filets or *pescado en papelado*, a heavenly seasoned fresh fish filet with white wine, butter, garlic, tomatoes and more! Stef and the crew from Baja Expeditions will ensure that this active excursion satisfies your need for a truly effortless, enjoyable, and unforgettable vacation!
