**Desert Triple Waterfall Adventure:** Hike through incredible desert canyon featuring 3 waterfalls and fantastic desert scenery. Enjoy the lush foliage of the oasis. There is some rock scrambling and a ladder climb involved.

**Trip to San Vicente/Visit Mountain Potters:** This is a

fantastic opportunity to experience the traditional way of life of the mountain ranchers in Baja. We'll meet local potters in a true mountain oasis, and learn how Baja Californians have carved their homes and livings out of the mountains for centuries. Dona Ramona puts on a pottery class for the group, imparting not only her tricks with the local clay, but stories of her life in the mountains as well. Once you've created your own

Baja Pottery, Dona then takes the group into the kitchen and they teach each person how to make tortillas in the traditional style-absolutely fantastic! Lunch is typically several wonderful dishes, each made with fresh ranch ingredients.

**Horseback Riding:** In addition to its magnificent desert scenery, Todos Santos has 70 miles of pristine, virtually empty beach for you to enjoy on horseback. The guides are not only experienced riders, but also avid birders and naturalists who enjoy sharing their local knowledge. Morning and sunset rides available.
